➡ Going to the bathroom 2-3x/day!
➡ Get up to 4 Probio5/day for 2 weeks to ensure ALL the candida is killed off and up to 4 Biocleanse/day to ensure all the toxins are leaving your body!
➡ 2 weeks @ 4 each, to go to a maintenance level (2-4 Probio5 & 2-4 Biocleanse/day! Make sure you are keeping up with 2-3 bowel movements a day!
➡ **If you have an AutoImmune issue, you may consider sticking at 4 Probio5 a day to keep flareups at bay!
KEEP IN CLOSE CONTACT WITH YOUR SPONSOR to celebrate victories and troubleshoot problems along the way!

★ Each stage can be 5-7 days long...
BUT LISTEN TO YOUR BODY to know when the right time is to move on. Moving slower will not set you back!
***Feel good=move to next stage**
***Feel bad=stay at that stage another 5-7 days or go back to previous stage to feel better.**

Taking 4 Probio5 & up to 4 Biocleanse/day
***2-3x/day BM**
***Continue for 2-3 weeks! Then go down to maintenance. Talk to your sponsor to find the next best plan for you!**
